PREFACE.

— 1896. —

We take pleasure in presenting our second edition of the Astoria, Clatsop County and Vicinity Directory.

Two years ago we issued our first directory, and while it was supposed to be very complete, yet some mistakes occurred. This year, profiting by our experience of the past, we have spared no expense and taken special pains to make this work complete in every detail.

Astoria has in the past two years steadily advanced, and comparing the names with those given in our last book, we find that there is over one-fifth more, which shows a substantial increase in our population.

Thanking the people of this energetic city for their patronage, which has made it possible to issue this work, we remain

Yours Faithfully,

J. S. DELLINGER.

FREE SAMPLE OF RUDY'S PILE SUPPOSITORY.

If you are afflicted with Piles call on your druggist, and have him give you a Free Sample of Rudy's Pile Suppository, and after using it you will be convinced that they will cure you. The country is so flooded with worthless remedies claiming to cure this disease, which makes it a hard matter to have the public believe anything which is laid before them. All I ask you to do is to Try a Free Sample, and then I am sure you will have faith in my statements.

If you cannot obtain them from your druggist, urge him to get some; if he will not, then we will send them to you, securely sealed, on receipt of price; but try your druggist before you send to us.
